

## ***RELEASE NOTICE***

1 August 2009

TO: DSN Document 810-005 Distribution  
FROM: DSN Systems Engineering Group (333F)  
SUBJECT: Release 17 for DSN Document 810-005

Module 105 for Document 810-005, Deep Space Network (DSN) Telecommunications Link Design Handbook has been updated and is being released. This revision, Rev. C, includes updated weather models and added models for 26-GHz. References to the 26-m subnet have also been removed due to its decommissioning.

A copy of Module 105 Rev. C can be obtained at the following URL:

<http://deepspace.jpl.nasa.gov/dsndocs/810-005/>

Please note that hardcopy (paper) distribution of 810-005 modular documents has been eliminated. All new releases of, and revisions to, 810-005 modules are available electronically and may be obtained at that URL.

Should you want to subscribe, unsubscribe, or have further questions about this document release notice, please contact Andy Kwok at 818-354-5555 or send email to [akwok@jpl.nasa.gov](mailto:akwok@jpl.nasa.gov)
